### **Mavicor and Amkai Announce Partnership**

KANSAS CITY, Mo. and Waterbury, CT- Mavicor, LLC and Amkai LLC are pleased to announce that they have entered into a market services partnership agreement, effective July 27, 2009.

In making this announcement, Mavicor's President, Jesse Mayhew stated, "We are proud to announce another milestone reached in our business plan; we know that to optimally serve our clients' best interests, we need to team with high quality partners who share our commitments, standards and values, and we believe Amkai is such a partner." Amkai's Senior VP of Operations, Craig Veach concurred, "Mavicor helps us help our clients, and ultimately that is the only success that counts."

Amkai and Mavicor have agreed to represent joint solutions to the marketplace. Amkai provides business management and electronic medical record software solutions to Ambulatory Surgery Centers (ASCs), Surgical Hospitals, and affiliated physician practices, while Mavicor provides a variety of basic technology support service solutions, including backup and restoration services that are critical for the successful operation of any ASC.

Mavicor continues to expand their offerings and partnerships, benefiting over 76 clients in 26 states. Amkai has ASC, Surgical hospital, and affiliated practice installations nationwide.

#### **About Mavicor**

Based in Kansas City, Missouri, Mavicor ([www.mavicor.com](http://www.mavicor.com)) is an investor owned private company focused on systems engineering and IT managed services for healthcare and other SMBs.

#### **About Amkai**

Amkai delivers comprehensive information management for outpatient surgery providers across every stage of administrative and clinical workflow. Amkai's suite of business management, electronic medical record, CPOE, e-prescription, and related applications promotes streamlined operations, structured data exchange, and patient safety.
